61.871. Policy of KRS 61.870 to 61.884 - Strict construction of exceptions of KRS 61.878.

The General Assembly finds and declares that the basic policy of KRS 61.870 to 61.884 is that free and open examination of public records is in the public interest and the exceptions provided for by KRS 61.878 or otherwise provided by law shall be strictly construed, even though such examination may cause inconvenience or embarrassment to public officials or others.

61.8715. Legislative findings.

The General Assembly finds an essential relationship between the intent of this chapter and that of KRS 171.410 to 171.740, dealing with the management of public records, and of KRS 61.940 to 61.957, dealing with the coordination of strategic planning for computerized information systems in state government; and that to ensure the efficient administration of government and to provide accountability of government activities, public agencies are required to manage and maintain their records according to the requirements of these statutes. The General Assembly further recognizes that while all government agency records are public records for the purpose of their management, not all these records are required to be open to public access, as defined in this chapter, some being exempt under KRS 61.878.

61.872. Right to inspection - Limitation.

- (1) All public records shall be open for inspection by any person, except as otherwise provided by KRS 61.870 to 61.884, and suitable facilities shall be made available by each public agency for the exercise of this right. No person shall remove original copies of public records from the offices of any public agency without the written permission of the official custodian of the record.
- (2) Any person shall have the right to inspect public records. The official custodian may require written application, signed by the applicant and with his name printed legibly on the application, describing the records to be inspected. The application shall be hand delivered, mailed, or sent via facsimile to the public agency.
- (3) A person may inspect the public records:
 - (a) During the regular office hours of the public agency; or
 - (b) By receiving copies of the public records from the public agency through the mail. The public agency shall mail copies of the public records to a person whose residence or principal place of business is outside the county in which the public records which are located after he precisely describes the public records which are readily available within the public agency. If the person requesting the public records requests that copies of the records be mailed, the official custodian shall mail the copies upon receipt of all fees and the cost of mailing.

- (4) If the person to whom the application is directed does not have custody or control of the public record requested, that person shall notify the applicant and shall furnish the name and location of the official custodian of the agency's public records.
- (5) If the public record is in active use, in storage or not otherwise available, the official custodian shall immediately notify the applicant and shall designate a place, time, and date for inspection of the public records, not to exceed three (3) days from receipt of the application, unless a detailed explanation of the cause is given for further delay and the place, time, and earliest date on which the public record will be available for inspection.
- (6) If the application places an unreasonable burden in producing public records or if the custodian has reason to believe that repeated requests are intended to disrupt other essential functions of the public agency, the official custodian may refuse to permit inspection of the public records or mail copies thereof. However, refusal under this section shall be sustained by clear and convincing evidence.

61.874. Abstracts, memoranda, copies - Agency may prescribe fee - Use of nonexempt public records for commercial purposes - Online access.

- (1) Upon inspection, the applicant shall have the right to make abstracts of the public records and memoranda thereof, and to obtain copies of all public records not exempted by the terms of KRS 61.878. When copies are requested, the custodian may require a written request and advance payment of the prescribed fee, including postage where appropriate. If the applicant desires copies of public records other than written records, the custodian of the records shall duplicate the records or permit the applicant to duplicate the records; however, the custodian shall ensure that such duplication will not damage or alter the original records.
- (2) (a) Nonexempt public records used for noncommercial purposes shall be available for copying in either standard electronic or standard hard copy format, as designated by the party requesting the records, where the agency currently maintains the records in electronic format. Nonexempt public records used for noncommercial purposes shall be copied in standard hard copy format where agencies currently maintain records in hard copy format. Agencies are not required to convert hard copy format records to electronic formats.
(b) The minimum standard format in paper form shall be defined as not less than 8 1/2 inches x 11 inches in at least one (1) color on white paper, or for electronic format, in a flat file electronic American Standard Code for Information Interchange (ASCII) format. If the public agency maintains electronic public records in a format other than ASCII, and this format conforms to the requester's requirements, the public records may be provided in this alternate electronic format for standard fees as specified by the public agency. Any request for a public record in a form other than the forms described in this section shall be considered a nonstandardized request.
- (3) The public agency may prescribe a reasonable fee for making copies of nonexempt public records requested for use for noncommercial purposes which shall not exceed the actual cost of reproduction, including the costs of the media and any mechanical processing cost incurred by the public agency, but not including the cost of staff required. If a public agency is asked to produce a record in a nonstandardized format, or to tailor the format to meet the request of an individual or a group, the public agency may at its discretion provide the requested format and recover staff costs as well as any actual costs incurred.
- (4) (a) Unless an enactment of the General Assembly prohibits the disclosure of public records to persons who intend to use them for commercial purposes, if copies of nonexempt public records are requested for commercial purposes, the public agency may establish a reasonable fee.
(b) The public agency for which copies of nonexempt public records are requested for a commercial purpose may require a certified statement from the requester stating the commercial purpose for which they shall be used, and may require the requester to enter into a contract with the agency. The contract shall permit use of the public records for the stated commercial purpose for a specified fee.

- (c) The fee provided for in subsection (a) of this section may be based on one or both of the following:
 - 1. Cost to the public agency of media, mechanical processing, and staff required to produce a copy of the public record or records;
 - 2. Cost to the public agency of the creation, purchase, or other acquisition of the public records.
- (5) It shall be unlawful for a person to obtain a copy of any part of a public record for a:
 - (a) Commercial purpose, without stating the commercial purpose, if a certified statement from the requester was required by the public agency pursuant to subsection (4) (b) of this section; or
 - (b) Commercial purpose, if the person uses or knowingly allows the use of the public record for a different commercial purpose; or
 - (c) Noncommercial purpose, if the person uses or knowingly allows the use of the public record for a commercial purpose. A newspaper, periodical, radio or television station shall not be held to have used or knowingly allowed the use of the public record for a commercial purpose merely because of its publication or broadcast, unless it has also given its express permission for that commercial use.
- (6) Online access to public records in electronic form, as provided under this section, may be provided and made available at the discretion of the public agency. If a party wishes to access public records by electronic means and the public agency agrees to provide online access, a public agency may require that the party enter into a contract, license, or other agreement with the agency, and may charge fees for these agreements. Fees shall not exceed:
 - (a) The cost of physical connection to the system and reasonable cost of computer time access charges; and
 - (b) If the records are requested for a commercial purpose, a reasonable fee based on the factors set forth in subsection (4) of this section.

A person who violates subsections (2) to (6) of KRS 61.874 shall be liable to the public agency from which the public records were obtained for damages in the amount of:

- (1) Three (3) times the amount that would have been charged for the public record if the actual commercial purpose for which it was obtained or used had been stated;
- (2) Costs and reasonable attorney's fees; and
- (3) Any other penalty established by law.

61.876. Agency to adopt rules and regulations

- (1) Each public agency shall adopt rules and regulations in conformity with the provisions of KRS 61.870 to 61.884 to provide full access to public records, to protect public records from damage and disorganization, to prevent excessive disruption of its essential functions, to provide assistance and information upon request and to insure efficient and timely action in response to application for inspection, and such rules and regulations shall include, but shall not be limited to:
 - (a) The principal office of the public agency and its regular office hours;

 - (h) Records of law enforcement agencies or agencies involved in administrative adjudication that were compiled in the process of detecting and investigating statutory or regulatory violations if the disclosure of the information would harm the agency by revealing the identity of informants not otherwise known or by premature release of information to be used in a prospective law enforcement action or administrative adjudication. Unless exempted by other provisions of KRS 61.870 to 61.884, public records exempted under this provision shall be open after enforcement action is completed or a decision is made to take no action;

The records shall include, but not be limited to, work plans, job performance, demotions, evaluations, promotions, compensation, classification, reallocation, transfers, layoffs, disciplinary actions, examination scores, and preliminary and other supporting documentation. 61.880. Denial of inspection - Role of Attorney General.

- (1) If a person enforces KRS 61.870 to 61.884 pursuant to this section, he shall begin enforcement under this subsection before proceeding to enforcement under subsection (2) of this section. Each public agency, upon any request for records made under KRS 61.870 to 61.884, shall determine within three (3) days, excepting Saturdays, Sundays, and legal holidays, after the receipt of any such request whether to comply with the request and shall notify in writing the person making the request, within the three (3) day period, of its decision. An agency response denying, in whole or in part, inspection of any record shall include a statement of the specific exception authorizing the withholding of the record and a brief explanation of how the exception applies to the record withheld. The response shall be issued by the official custodian or under his authority, and it shall constitute final agency action.
- (2) (a) If a complaining party wishes the Attorney General to review a public agency's denial of a request to inspect a public record, the complaining party shall forward to the Attorney General a copy of the written request and a copy of the written response denying inspection. If the public agency refuses to provide a written response, a complaining party shall provide a copy of the written request. The Attorney General shall review the request and denial and issue within twenty (20) days, excepting Saturdays, Sundays and legal holidays, a written decision stating whether the agency violated provisions of KRS 61.870 to 61.884.
(b) In unusual circumstances, the Attorney General may extend the twenty (20) day time limit by sending written notice to the complaining party and a copy to the denying agency, setting forth the reasons for the extension, and the day on which a decision is expected to be issued, which shall not exceed an additional thirty (30) work days, excepting Saturdays, Sundays,

and legal holidays. As used in this section “unusual circumstances” means, but only to the extent reasonably necessary to the proper resolution of an appeal:

1. The need to obtain additional documentation from the agency or a copy of the records involved;
 2. The need to conduct extensive research on issues of first impression; or
 3. An unmanageable increase in the number of appeals received by the Attorney General.
- (c) On the day that the Attorney General renders his decision, he shall mail a copy to the agency and a copy to the person who requested the record in question. The burden of proof in sustaining the action shall rest with the agency, and the Attorney General may request additional documentation from the agency for substantiation. The Attorney General may also request a copy of the records involved but they shall not be disclosed.
- (3) Each agency shall notify the Attorney General of any actions filed against that agency in Circuit Court regarding the enforcement of KRS 61.870 to 61.884. The Attorney General shall not, however, be named as a party in any Circuit Court actions regarding the enforcement of KRS 61.870 to 61.884, nor shall he have any duty to defend his decision in Circuit Court or any subsequent proceedings.
- (4) If a person feels the intent of KRS 61.870 to 61.884 is being subverted by an agency short of denial of inspection, including but not limited to the imposition of excessive fees or the misdirection of the applicant, the person may complain in writing to the Attorney General, and the complaint shall be subject to the same adjudicatory process as if the record had been denied.
- (5) (a) A party shall have thirty (30) days from the day that the Attorney General renders his decision to appeal the decision. An appeal within the thirty (30) day time limit shall be treated as if it were an action brought under KRS 61.882.
- (b) If an appeal is not filed within the thirty (30) day time limit, the Attorney General’s decision shall have the force and effect of law and shall be enforceable in the Circuit Court of the county where the public agency has its principal place of business or the Circuit Court of the county where the public record is maintained.

61.882. Jurisdiction of Circuit Court in action seeking right of inspection - Burden of proof - Costs - Attorney fees.

- (1) The Circuit Court of the county where the public agency has its principal place of business or the Circuit Court of the county where the public record is maintained shall have jurisdiction to enforce the provisions of KRS 61.870 to 61.884, by injunction or other appropriate order on application of any person.
- (2) A person alleging a violation of the provisions of KRS 61.870 to 61.884 shall not have to exhaust his remedies under KRS 61.880 before filing suit in a Circuit Court.
- (3) In an appeal of an Attorney General’s decision, where the appeal is properly filed pursuant to KRS 61.880(5)(a), the court shall determine the matter de novo. In an original action or an appeal of an Attorney General’s decision, where the appeal is properly filed pursuant to KRS 61.880(5)(a), the burden of proof shall be on the public agency. The court on its own motion, or on motion of either of the parties, may view the records in controversy in camera before reaching a decision. Any noncompliance with the order of the court may be punished as contempt of court.
- (4) Except as otherwise provided by law or rule of court, proceedings arising under this section take precedence on the docket over all other causes and shall be assigned for hearing and trial at the earliest practicable date.
- (5) Any person who prevails against any agency in any action in the courts regarding a violation of KRS 61.870 to 61.884 may, upon a finding that the records were willfully withheld in violation of KRS 61.870 to 61.884, be awarded costs, including reasonable attorney’s fees, incurred in connection with the legal action. If such person prevails in part, the court may in its discretion award him costs or an appropriate portion thereof. In addition, it shall be within the discretion of the court to award the person an amount not to exceed twenty-five dollars (\$25) for each day that he was denied the right to inspect or copy said public record. Attorney’s fees, costs, and

awards under this subsection shall be paid by the agency that the court determines is responsible for the violation.

61.884. Person's access to record relating to him.

Any person shall have access to any public record relating to him or in which he is mentioned by name, upon presentation of appropriate identification, subject to the provisions of KRS 61.878.
