RE: Budget Message for fiscal year 2015-16

The Berea City Administration and staff are pleased to present a progressive budget that will provide efficient and timely services to the Citizens of Berea. The City's financial condition is stronger this fiscal year (2015-16) than in previous years. The industrial and commercial economy of the City of Berea remains strong. Occupational Licenses Fees, Net Profits, Franchise Fees, and Property Tax remain the major sources of the City's revenue. This means that our operating revenue depends upon the investment of individual families, small businesses, and industries.

The contents of this budget are the compilation and dedication of many hours of research and dedication of the Staff. Therefore the thanks for the budget's strength providing future growth and maintenance of our City belong to each of them.

Despite a good revenue statement the 2015-2016 budget is conservative in its statements of anticipated revenue. As an example, the Occupational Licenses Fees has only been increased by \$100,000.00 over that expressed in the new 2015 amended budget. The 2016 budget's beginning fund balance is stated at \$ 8,300,000. This amount is \$ 1,100,000 over the stated beginning fund balance in the 2015 budget. It is important to remember that all stated revenues and expenses are only anticipated. We have no future financial guarantees, only our best projections.

The 2015 budget continues the funding of the Fund Balance Reserve and the Capital Sinking Fund. Using the formula established two years ago, the Reserve Fund in the 2016 budget is \$2,200,000.00, an increase of \$115,000.00, over last fiscal year. The Capital Sinking Fund contains an additional \$750,000.00 bringing the total of this fund to \$1,950,000.00 by the end of the 2016 fiscal year. The Fund Balance Reserve represents two months of expenses excluding the purchase of capital equipment. The Sinking Fund has been established to escrow money to purchase large capital items in the future. The Sinking Fund was increased an additional \$ 150,000 to prepare for the purchase of a new fire apparatus that will be partially funded through CESEP in the 2017 budget. In total, the General Fund has \$ 4,642,131 in unallocated or unbudgeted funds. Personnel cost for the 2016 fiscal year has increased by \$364,589. The budget includes a maximum 2% rise to payroll based on an employee's annual evaluation. Other factors that contributed to the increase in personnel cost are the market adjustment of four staff positions, two additional street department laborers, a full time Electrical Inspector, and a full time park maintenance worker. Benefit cost also contributed to the increase in Personnel cost as our policy with Bluegrass Family Health increased by 15% of which 4.1% can be attributed to the Affordable Care Act.

Expenditures, as stated in the 2016 budget represent a forward thinking and progressive year. Items budgeted as capital items in departmental budgets provide upgraded infrastructure and equipment to better serve the citizens of Berea. However, the staff and the citizenry must remain aware that the day to day purchases of all budgeted items, including capital items, is governed by the constant evaluation of the City's cash flow. What follows is a sample of some items funded in this budget:

- The five year capital budget is support and in this budget
- Funds are provided to do the Master Facilities Plan for Police and Fire
- Public Transportation System
- Berea Volunteer Firemen
- Berea Volunteer Firemen Station Addition
- Madison County Airport operational expense
- 911 support for operational support and additional funds for debt service
- Construction Funds for the Indian Fort Trail
- Design Funds for the Ellipse Street Shared Use Path
- Planning monies for the Scaffold Cane Shared Use Path
- Final Phase of the Water Street Drainage Project
- Short Line Pike design monies for the first phase
- MS-4 Planning: Municipal Separate Storm Sewer System
- Support for the Summer Crafts Festival
- Three Police Cruisers
- Drug Task force Financial Support
- Fire Turn Out Gear
- Replacement of Boots, Helmets and Gloves for Fireman
- Street Sweeper
- Two One-Ton Dump Trucks with Plows
- 4X4 Tractor
- Backhoe Replacement

The 2016 budget is a progressive budget. It demonstrates strength and support for personnel services, planning, infrastructure and capital equipment. The monies in this budget for the purchase of large equipment and rolling stock is the largest in recent history. However, the department heads have researched their needs and have made specific requests so that they can provide top quality service to the Residents of Berea.

This budget continues to support the engineering and planning efforts for the Berea Bypass and the US 25 North Projects. Monies for these efforts are supplied to the City by contract from the Department of Transportation. Construction monies for the construction of these projects are not included in this budget. Once they are bid they will become a part of the Kentucky Department of Transportation

budget. The construction of the Bypass is now estimated to be \$ 22 Million and US 25 North is estimated to be \$ 7 Million. Both of these projects are to be in construction by spring of 2016.

The Utilities budgets are as aggressive and progressive as the General Fund. The capital needs of our Utilities are great. These budgets contain monies to either complete or design or investigate a number of projects. The focus for the coming fiscal year will be on the following projects: Street Electric Substation upgrade, continued work on the Owsley Fork Dam Project working with the Natural Resources Conservation Service, flow monitoring and modeling of the Sewer Collection system and several sewer rehabilitation projects. The budgets for the Utilities Department, water, and sewer in particular have produced marginal returns in the past two years and have prompted a cost of service study for Water, Sewer, and Electric. This study may indicate a need to increase rates based on the daily operational cost of each utility. Kentucky Utilities annual adjustment in Electric rates was offset by refunds to the FERC proceedings relative to the 2014 filing by KU for increased rates.

Berea Tourism's budget is continuing to support its mission through marketing and advertising itself as an art and craft workshop destination. New for the 2016 will be the funds dedicated for the purchase of the Tolle Property on Chestnut Street that will be the future home of Tourism's welcome Center. The Tourism's budget continues funding for the Artist Accelerator program which incubates new artists, giving them a gainful start in establishing their own independent business. The Tourism budget will continue supporting programing such as the Festival of Learnshops, Discover the Arts, Music on the Porch, L&N Day as well as their partnership supporting local resources such as the Berea Chamber of Commerce, Berea Arts Council, and Spotlight Acting

The basic principle of the 2016 budget is to protect and enhance the quality of life in Berea. The funds, as allocated, empower the staff and administration to be more efficient and productive to the Citizens of Berea. Again, thanks go to the Staff and Administration for the preparation of this very important financial plan.

Sincerely,

Mayor Steven Cornelly

City Administrator Randy Stone

BUDGET ORGANIZATION

Governmental Funds

The financial transactions of the City are recorded in individual funds. Governmental funds are those through which most governmental functions are financed. All governmental funds are accounted for and budgeted using the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recognized when they become measurable and available.

The City will maintain the following governmental funds during the FY11-12:

Name	Fund No.
General Fund	10
Municipal Road Aid	22
Tourism Fund	
Industrial Development Authority Fund	29
Police Restricted Fund-State	
Berea Corridor Engineering	
Police Restricted Fund-Federal Equitable Sharing	
Menalaus Pike Design Engineering	
Prospect Street Upgrade	
US25 North	

The General Fund is the primary operating fund of the City. All monies qualifying as municipal tax, licenses and permits, charges for services, fines and forfeitures make up the general fund revenue base. These revenues are then allocated by the Mayor and council to individual departments for operating cost and capital improvement projects for the city during a specified fiscal year. Transfers from the general fund are also made to special funds for traceability and to compliment legal.

City special revenue funds receive money from specific sources and are self supporting revenue funds.

Proprietary Funds

Proprietary funds types are used to account for operations that are financed and operated in a manner similar to business enterprises, where intent of the governing body is that costs of providing services are to be financed or recovered primarily through user charges. The measurement focus is upon determination of net income, financial position and changes in cash flows. Proprietary funds are accounted for using the accrual basis of accounting.

The City will maintain the following proprietary funds during the FY11-12:

The Utilities Operation Fund is the primary operating fund of the Berea Municipal Utilities. All charges for services, connections, etc. make up the revenue base. These revenues are then allocated by the Mayor and council for operating cost and capital improvement projects during a specified fiscal year.

ADMINISTRATION

ACTIVITIES

The Administration Department is responsible, under the direction of the Mayor, for the daily operation of the City. The Administration Department supervises budget account numbers 1000, 1005, and 1010. The duties include, but are not limited to, daily supervision of department heads, citizen complaints, budget and financial management, procurement, personnel records, health insurance, workers compensation, and County Employees Retirement records, reports, and claims, and other related, administrative duties.

This department assures that all administrative ordinances, policies, and laws are uniformly applied. Specific duties also consist of all City employee personnel actions, telephone calls, inter-governmental contributions and the maintenance of City Hall.

PUBLIC WORKS

ACTIVITIES

The Public Works Department is responsible for the maintenance, both preventative and regular, of all streets and roads within the city limits. The Public Works Department has the primary responsibility to protect life and property through the assurance that all streets within the city limits are properly marked and signed in compliance with the Uniform Traffic Control Device Manual. This includes designation of speed zones, turning lanes and related traffic planning. The traffic planning aspect of this department is being expended to meet the growing need of the City. Some of the secondary duties of this department are to mow right of ways, repair potholes, sweep streets, and maintain municipal parking lots. The daily operations and long range planning for this department are supervised by the Street Superintendent.

GIS-LAND SURVEY DEPARTMENT

ACTIVITIES

The GIS-Land Surveying Department maintains/continually updates the city's zone map, street index map, corporate boundary map, transportation map, police patrol map, fire hydrant & jurisdiction maps, city owned real estate inventory, annexation documents etc. The department also reviews plats for the Planning Commission and attends planning commission meetings for oversight of survey/mapping related issues. The department also maintains GIS data (e.g. street centerlines, structure locations, street addresses, aerial photography, etc.) and forwards this data to appropriate agencies both within and outside of the city. In addition, the department disseminates information both verbally and by exhibits in response to both government and citizen requests.

TOURISM DEPARTMENT

ACTIVITIES

The Berea Tourism and Convention Commission Fund was established under authority of KRS 91A.390. The source of revenue for this fund is the transient room tax and the restaurant tax which are each levied at three percent. The primary purpose of the Tourism Commission is to attract and promote conventions, athletic events, and generate interest in Berea as a tourist location. The funds are controlled by the Tourism Director and Commission under the supervision of the Director of Finance

POLICE RESTRICTED - STATE AND LOCAL

ACTIVITIES

The City of Berea Police Department participates in the state asset forfeiture program as outlined in the Kentucky Revised Statutes. This program was established to provide Law Enforcement Agencies with additional funding through the seizing of money and real property through state District and Circuit Court actions. Upon court order, property seized through criminal investigations can be awarded to the Law Enforcement agency that conducted or participated in the investigation resulting in the seizure. All money or real property forfeited under these statues must be used to enhance the Law Enforcement agencies ability to more effectively provide policing services to the community.

BEREA CRAFT FESTIVAL

ACTIVITIES

Beginning in July 2014, the City of Berea took over operations of the Berea Craft Festival, an annual event bringing large number of visitors to the city. Fund 075 has been established in Fiscal Year 2014-2015 to account for all activity of the Berea Craft Festival. The Craft Festival should be fully self-supporting, depending on vendor booth fees and attendance admissions to over all operating costs. As such, Fund 075 is considered a proprietary fund.
