

Bag it. Trash it.

Pet waste left on the ground washes into a drain in the next rain.

A yard, a sidewalk, a park, and the trail all drain to the street. Card B is the post. This is the sheet you hand someone on the walk.

Do This	Not This
Carry a bag on every walk	Leave the bag on the ground
Put the bag in a trash can	Toss it in the gutter
Ask a visitor to do the same	Assume rain will take care of it
Call if a pile is blocking a path or a drain	Skip it because you are downtown

When You Call, Say This

The street or the place. What you saw: a sheen, mud, trash, pet waste, or a blocked drain. When you saw it.
