INSTRUCTIONS

The City of Berea Net Profits License Fee was levied at the annual rate of 2% effective August 1, 1991, on the net profit of all occupations, trades, professions or other businesses engaged in said activities within the city. The fee is levied against a partnership, or association as a business entity, therefore, the individual partners or members are not required to file a return on their distributive share of the profits. The City of Berea Form Bus. No. 1 to be filed by all subject businesses (having some receipts and/or payroll within the City of Berea) and must be based on the net income as reported to the Federal Government; therefore, the basis used (i.e. cash or accrual) must be consistent for both Federal Income Tax and City of Berea License Fee Returns. The Bus. No. 1 Form must be filed before April 15 if the taxpayer is on a calendar year or 105 days after either the end of the fiscal year, sale, liquidation or transfer. Checks or money orders should be made payable to the City of Berea. The instructions below facilitate the computation of the Net Profits License Fee. Please read them.

SCHEDULE B

The computation of License Fee provides for the adjustment of income as shown by your Federal Income Tax Return. Schedule B is provided for the taxpayer to add (Lines A-F) items which are subject to the License Fee. Most of these appear as a part of the deductions taken on the Federal Return, therefore, they must be added back on Line 4 of Schedule A. Lines H - M of Schedule B provide for the deduction of items not subject to the License Fee. Many of these items are taxable for Federal Income Tax purposes so they must be deducted on Line 6 of Schedule A.

INDIVIDUAL PROPRIETORSHIPS

Lines D, E, H, I and J are not applicable as they do not appear on Treasury Form 1040, Schedule C or F. Lines A and B are for the addition of State and Local Taxes based upon income and License Fee under this ordinance if either appears as a part of Line 2. As separate Schedule C or F, U.S. Treasury Form 1040 does not include business capital gains. Line C should show such gains as 50% subject. Include in Line F, and itemize on a schedule other business income not included in total business receipts on the Federal Schedule C or F.

PARTNERSHIPS, ASSOCIATIONS, ETC.

Net operating loss deductions (Line D) do not appear on a Federal Partnership Return, therefore Line D is not applicable. Line E - All payments to partners deducted on U.S. Treasury Form 1065 must be entered here and a schedule attached. Capital gains and losses should be entered 50% on Lines C and L respectively.

CORPORATIONS

Line E is not applicable. Net Income from U.S. Treasury Form 1120 and 1120-S should be adjusted by the items listed in Schedule B. Capital gains included in net Federal Return must be adjusted to eliminate any capital loss carry over. Capital losses are not allowable as a deduction on the Federal Return but are allowable as a deduction on Line L of Schedule B.

SCHEDULE C

Schedule C must be completed by taxpayers with business receipts - 1, payroll - 2. Completion of the Schedule allocates to the City of Berea the proportionate part of the taxpayer's total business activity attributable to the City. However, if one of the two factors (business receipts or payroll) is missing, the remaining factor is the average or Business Allocation Percentage (Line 5 of Schedule C).

1. "Business Receipts" means the sum total of gross receipts from sales plus gross credits or charges for work done or services performed.
2. "Payroll" means total wages, salaries and other employee's personnel service compensation.
