City Postpones Annual Spring Clean-up

BEREA, Ky. (March 27, 2020)

Unfortunately, the City of Berea must postpone the annual spring clean-up event scheduled for April 20th thru April 24th, 2020 for a later date. This is an important service along with our partnership with Waste Connections, and we look forward to a later date. Please check back for updates on our website or our City of Berea Facebook page for updates.
