

# Trauma-Informed Care in Kentucky Kentucky Strengthening Families

**JULY 23, 2020**

**9 AM TO 12 PM**

**FREE ZOOM TRAINING**

**Speakers:**

**Gwendolyn L. Holder, MRC, LCADC**

**Rhonda L. Barnett, MSW, LCSW, LCADC**

Attendees will receive 3 CEU's for Nursing, Social Work, LPCC, Psychology, CADC, and EILA hours pending approval. Attendance of the entire program and completion of program evaluation is required for CEU's.

**TO REGISTER, EMAIL [MICHELLE.BOWLING@UHSINC.COM](mailto:MICHELLE.BOWLING@UHSINC.COM)**

Attendees will: 1) Understand the importance and vulnerability of the first 5 years based on early brain development and the effects of toxic stress; 2) Learn the impact of ACEs on early child development and adult outcomes; 3) Understand how the 6 Kentucky Strengthening Families Protective Factors change the story for children, families and adults; 4) Learn how to utilize Trauma Informed Care as a response to families that are predisposed to trauma and at risk.
